| Juglans Regia (Walnut shell)   | 84012-43-1              | 281-688-1                     | Unclassified | 1-5%         |
| Perfume Peach K/43096 Without Allergens  | preparation             | mixture                       | Unclassified |              |
| Perfume Peach K/43096  | preparation             | mixture                       | R43          |              |
| Amylcinnamaldehyde   | 122-40-7                |                               | R43          | less than 1% |
| Benzyl Salicylate  | 118-58-1                | 204-262-9                     | R43          | less than 1% |
| Limonene   | 5989-27-5, 7705-14-8    |                               | R43          | less than 1% |
| Linalool   | 78-70-6                 | 201-134-4                     | R43          | less than 1% |
| Prunus Persica (Peach Kernel) Oil  | 8002-78-6 & 8023-98-1   |                               | Unclassified | 1-5%         |
| Prunus Persica (Peach Kernel) Oil Without Allergens  | 8002-78-6 & 8023-98-1   |                               | Unclassified |              |

## 3. Hazards Identification

### Human

If ingested may cause some irritation to the mouth and upper digestive tract.

May irritate the eye.

The particulate matter within the product may cause a foreign body reaction should it accidentally enter the eye.

May cause slight skin irritation.

It is unlikely that inhalation will be a route of exposure.

### Safety

Not classified as flammable, explosive or oxidising.

### Ecological

#### 4. First Aid

In cases of ingestion, wash out the mouth with water.

In cases of skin contact, wash the skin with soap and water.

In cases of eye contact, wash out the eye thoroughly with plenty of clean water.

#### 5. Fire-Fighting Measures

Fumes containing carbon dioxide, carbon monoxide, sulphur dioxide and oxides of nitrogen may be formed in large fires.

Put out any fire with powder, foam, sand or water spray. The product is unlikely to support combustion due to its water content.

Avoid using large quantities of water.

In case of fire, self contained breathing apparatus must be worn.

#### 6. Accidental Release Measures

Failure to contain a release must be notified to both the local authority and Montagne Jeunesse

Wear impervious gloves/overalls and eye protection while clearing up the spillage.

Do not wash into the drains.

Place in plastics barrels for disposal.

Do not mix with other waste materials.

Dispose of in accordance with State and local authority regulations.

Seek advice from the local waste authority or seek guidance from Montagne Jeunesse

#### 7. Handling and Storage

Face Mask

Do not store close to strong oxidising agents which could aggravate any fire situation.

#### 8. Exposure Control/ Personal Protection

Avoid contact with eyes, skin or clothes.

Working procedures should be designed to minimise worker exposure to this product. Where this is not possible the following personal protective equipment should be provided.

**Eye protection:** Chemical safety goggles recommended.

**Respiratory protection:** Not required.

1,2-Propanediol

8 hr TWA vapour and particulates, 470mg/m<sup>3</sup>

## 9. Physical and Chemical Properties

### 9.1 - General Information

Appearance: Thin paste  
Odour: peach

### 9.2 - Important Health, Safety & Environmental Information

### 9.3 - Other Information

## 10. Stability and Reactivity

May react with strong oxidants.  
Not expected to decompose during use

## 11. Toxicological Information

LD50 (oral rat) > 2000mg/kg  
Not classified as "Harmful if swallowed" May cause minimal effects following ingestion.  
Prolonged contact may cause slight skin irritation.  
Contains low concentrations of one or more allergens. People who are already sensitive to these materials may react adversely to this product.  
May cause eye irritation.

## 12. Ecological Information

This product is readily biodegradable.  
Do not release into surface waters.

## 13. Disposal Considerations

When disposing of waste or surplus material avoid contact with the eye and skin. Wear impervious gloves/overalls and chemical safety goggles.  
Do not wash into the drains.  
Do not mix with other waste materials.  
Seek advice from the local waste authority or seek advice from Montagne Jeunesse

## 14. Transport Information

### 15. Regulatory Information

This substance has been assessed using the health, safety and environmental criteria laid down in the EEC Directives on the Control of Dangerous Substances and Preparations. It is found not to be classified according to the health and safety or environmental criteria.

**USE ONLY AS DIRECTED.  
KEEP AWAY FROM CHILDREN.  
WASH HANDS AFTER USE.**

### 16. Other Information

**Contains the below substance(s). May produce an allergic reaction**

**AMYL CINNAMALDEHYDE  
BENZYL SALICYLATE**

This safety data sheet takes into account the enactment of Council Directive 67/548, and its amendments/adaptations. This safety data sheet is accurate to the best of our knowledge and is based on information which we consider is reliable. It is furnished without warranty.
